PHYT'S

NATURO-ESTHETIQUE

SKIN TREATMENTS

Eye lids and lips are treated with every PHYT'S treatment.

Soin Luminescence - 1 hour 15 min€80

A PHYT'S Signature Treatment combining exfoliation to erase impurities; a cream mask with pressure points to relieve all tensions; an Active Revitalising Massage to tone, oxygenate and stimulate circulation; relaxing and nourishing massage, finished with a Peel Off Mask to firm and tone the skin: all targeted to slow the ageing process. A glorious treatment to receive all year round to keep your skin looking fabulous!

Soin Multivita - 1 hour 30min€90

An event or wedding coming? Or simply your skin needs a boost to shift tiredness and dullness? Here is the best PHYT'S skin Treatment offering a cocktail of Vitamins A, B2, B5, C, plus Zinc and Cévéblé (Wheatgerm Complex) in association with the very specific "Baguette" Anti-Ageing Massage Technique. Achieve perfect skin and improve elasticity and fine lines within the first treatment.

Soin Anti-Comedons - 1 hour€65

For problematic skin with acne congestion of blackheads. Softens sebum build up with a Potassium & Copper specific serum allowing easy extraction of blockages. Normalise the sebum with the added benefit of it's antibacterial and healing action.

Soin Radiance Vitale - 1 hour€70

Tailored to your own skin type, this skin treatment uses a variety of minerals, hydrating and nourishing oils with plant extracts to answer any problems that your skin may encounter: such as sensitivity, dryness or dehydration. A combination of exfoliation, serum, mask with pressure points and massage adapted to your needs results in your skin being supple and radiant again.

PHYT'S Discovery - 45min€60

A pick me up treatment to revive your skin to its former glow. A cleanse, tone, exfoliation followed by a massage and mask adapted to your skin type is performed to refresh your skin.

PHYT'Skin Rénov€300

The ultimate in brightening and improving your skin condition. Due to its 30% of natural glycolic acid, Rénov Treatment reduces pigmentation, dehydration, fine lines and dryness by removing the build up of your dead skin cells through rapid exfoliation. Collagen and elastin are stimulated so the skin is smooth and plump. This course of 4 treatments is recommended during the Winter months for you to get the best results and aftercare.
